

Mata Secretarial Or Architectural

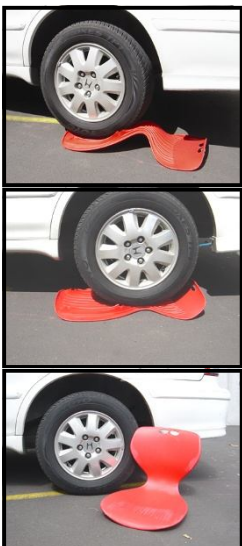

Features

- User friendly, no fuss, totally versatile seating, the one size fits all chair.
- Contoured, specially engineered plastics for superior back support.
- Stylistic yet simple design to fit most environments.
- The easy maintenance and outstanding strength of this chair makes it a long lasting product.

Appropriate Use

Mata Secretarial and Architectural are designed as light use desk chairs and are popular in school rooms, labs, home study and small office areas. The flexible back and commercial standard under seat components make Mata very resilient for even the most active sitter. The polypropylene shell will retain its flexibility and colour fastness for many years in indoor situations. Mata Secretarial is not suitable for outdoor use.

How Strong?

Mata Secretarial comes with an AFRDI Blue Tick Certification

Optional Seat pad also available:

Full Range of Colours: Cobalt blue, red, mid grey, black, olive, taupe, white, mango
