

# Lenovo 100e Chromebook Gen 4 (Intel)

Elevate your workflow and stay ahead of the curve with this cutting-edge Chromebook tailored to meet your professional needs. Featuring a sleek 11.6" HD screen with optional multi-touch functionality, this compact powerhouse ensures an immersive and interactive computing experience. The Intel N-Series processor and Intel UHD graphics, delivers seamless multitasking, enabling you to effortlessly tackle demanding workloads, creative projects, and everything in between. With a feather-light weight of 1.23kgs and an impressive battery life of up to 12 hours, it ensures that your office is wherever you are.

## Redefining possibilities with powerful performance and groundbreaking on-device AI

Purpose-built for modern education. Robust, secure, and easy to manage, our laptops offer versatile performance and collaboration tools to support teachers and students in the classroom or at home.

The Intel Wi-Fi 6E and USB-C 3.2 Gen 1 ports guarantee lightning-fast data transfer and a seamless online experience whereas the HD audio chip, dual 2W stereo speakers and HD 720p camera ensures that your virtual meetings, presentations, and multimedia experiences are crisp and clear.

Security features such as Google Security H1 chip, Kensington Nano security slot and camera privacy shutter protects the device and data from potential cyberattacks. Plus, the ENERGY STAR 8.0 and EPEAT Gold certifications ensure optimum power consumption and reduced environmental impact.

The 11.6" HD screen with an anti-glare surface, maintains visibility even in challenging lighting conditions. The 16:9 aspect ratio enhances your viewing experience, making it perfect for both work and entertainment.

## Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..
