

GlitterPads – A Versatile Cleaning Solution for Hard Surfaces

- ✓ Compatible with Handbug and Glitterbug tools.
- ✓ Colour-coded for easy, hygienic use.
- ✓ Effective from light cleaning to heavy-duty scrubbing
- ✓ Ideal for commercial and professional environments

Product Range and Recommended Uses:

- ▶ **White – Ice Blue – Non-Scratch Finishing Pads:**
Gentle yet effective, these pads are safe for delicate surfaces like glass, stainless steel, and plastics, removing surface residue without scratching.
- ▶ **Red – Light Duty Cleaning & Polishing:**
Perfect for everyday cleaning of benches, walls, and floors, these pads remove built-up residue to keep environments clean and tidy.
- ▶ **Black – Deep Cleaning & Stripping:**
Ideal for cleaning all areas that need scrubbing, these pads effectively remove grease, food residue, and dirt build-up, suitable for both light and heavy-duty cleaning.
- ▶ **Blue/Green – General Scrubbing:**
Designed for tough cleaning jobs, these pads effectively break down grease, grime, and stubborn residue on heavy-use surfaces. Ideal for restoring cleanliness in high-traffic areas
