

DCPJ4120DW Technical Specifications

The DCPJ4120DW is packed full of features and is one of the most compact All-In-One inkjet printers capable of printing up to A3 size by using its rear manual feed slot.

Printing in A4 at speeds of up to 20ipm (mono) and 18ipm (colour), it allows you to present professional quality documents without the wait, while high yield ink cartridges that can print up to 1,200 pages ensure low costs without sacrificing on quality.

Print 3.0 is all about convenient printing. Connect your smartphone or tablet to the DCPJ4120DW and print from/scan to your mobile device through Brother's iPrint&Scan app. Connect wirelessly over your network to scan and print documents from your desktop PC.

You can also connect directly to the web from your printer to scan to; or print from Dropbox, Google Drive, Box, OneDrive, Picasa™, Flickr®, Evernote™, and OneNote.

All Brother inkjet multifunction printers incorporate an ink system with four individual ink cartridges – meaning you only need to replace the ink that runs out – reducing waste and saving you money. The DCP-J4120DW is also compliant with strict ENERGY STAR, Blue Angel and Nordic Swan environmental standards to ensure low energy consumption, low noise levels and a recycle-friendly design.

GENERAL	
Memory capacity Connectivity Mobile connectivity Display	128MB USB 2.0, Wireless 802.11b/g/n, iPrint&scan app, Airprint, Google Cloud Print(TM), Wi-Fi Direct 6.8 cm LCD touchscreen display
COLOUR PRINTER	
Speed (laser comparable)* 2-sided print Resolution Borderless printing Minimum droplet size	Up to 20ipm mono & 18ipm colour Automatic up to A4 Up to 6,000 x 1,200 (vertical x horizontal) Available for A3, A4, LTR, A6, Photo 10x15cm, Photo-L, Photo 2-L, Index Card, Postcard * 1.5pl (when used with Brother BP71 paper, see supplies section)
