

A photograph showing three modern, angular plastic chairs in vibrant colors (orange, teal, and lime green) arranged on a wooden deck. The chairs are set against a backdrop of lush green foliage and a black metal fence. The scene is outdoors, likely on a balcony or patio.

Colours were thoughtfully selected for **Muze** to complement various styles of interiors, enhancing the ambience at home, work, waiting areas, bars and cafes.

Life Is More Than SHADES OF GREY.

Flexible furniture which is suitable for both indoor and outdoor applications has become increasingly popular. Made of polypropylene resin, **Muze** is washable and highly resistant to impact and weather, making this beautifully designed chair perfect for anywhere.

This versatile piece will surely make a statement in any contemporary setting, while ensuring comfort, style and practicality.

SPACE SAVING

This chair stacks high without losing stability, helping to save space when not in use.

ATTRACTIVE

Muze's angular shape and lines epitomize contemporary design, making it an attractive addition for everyday use.

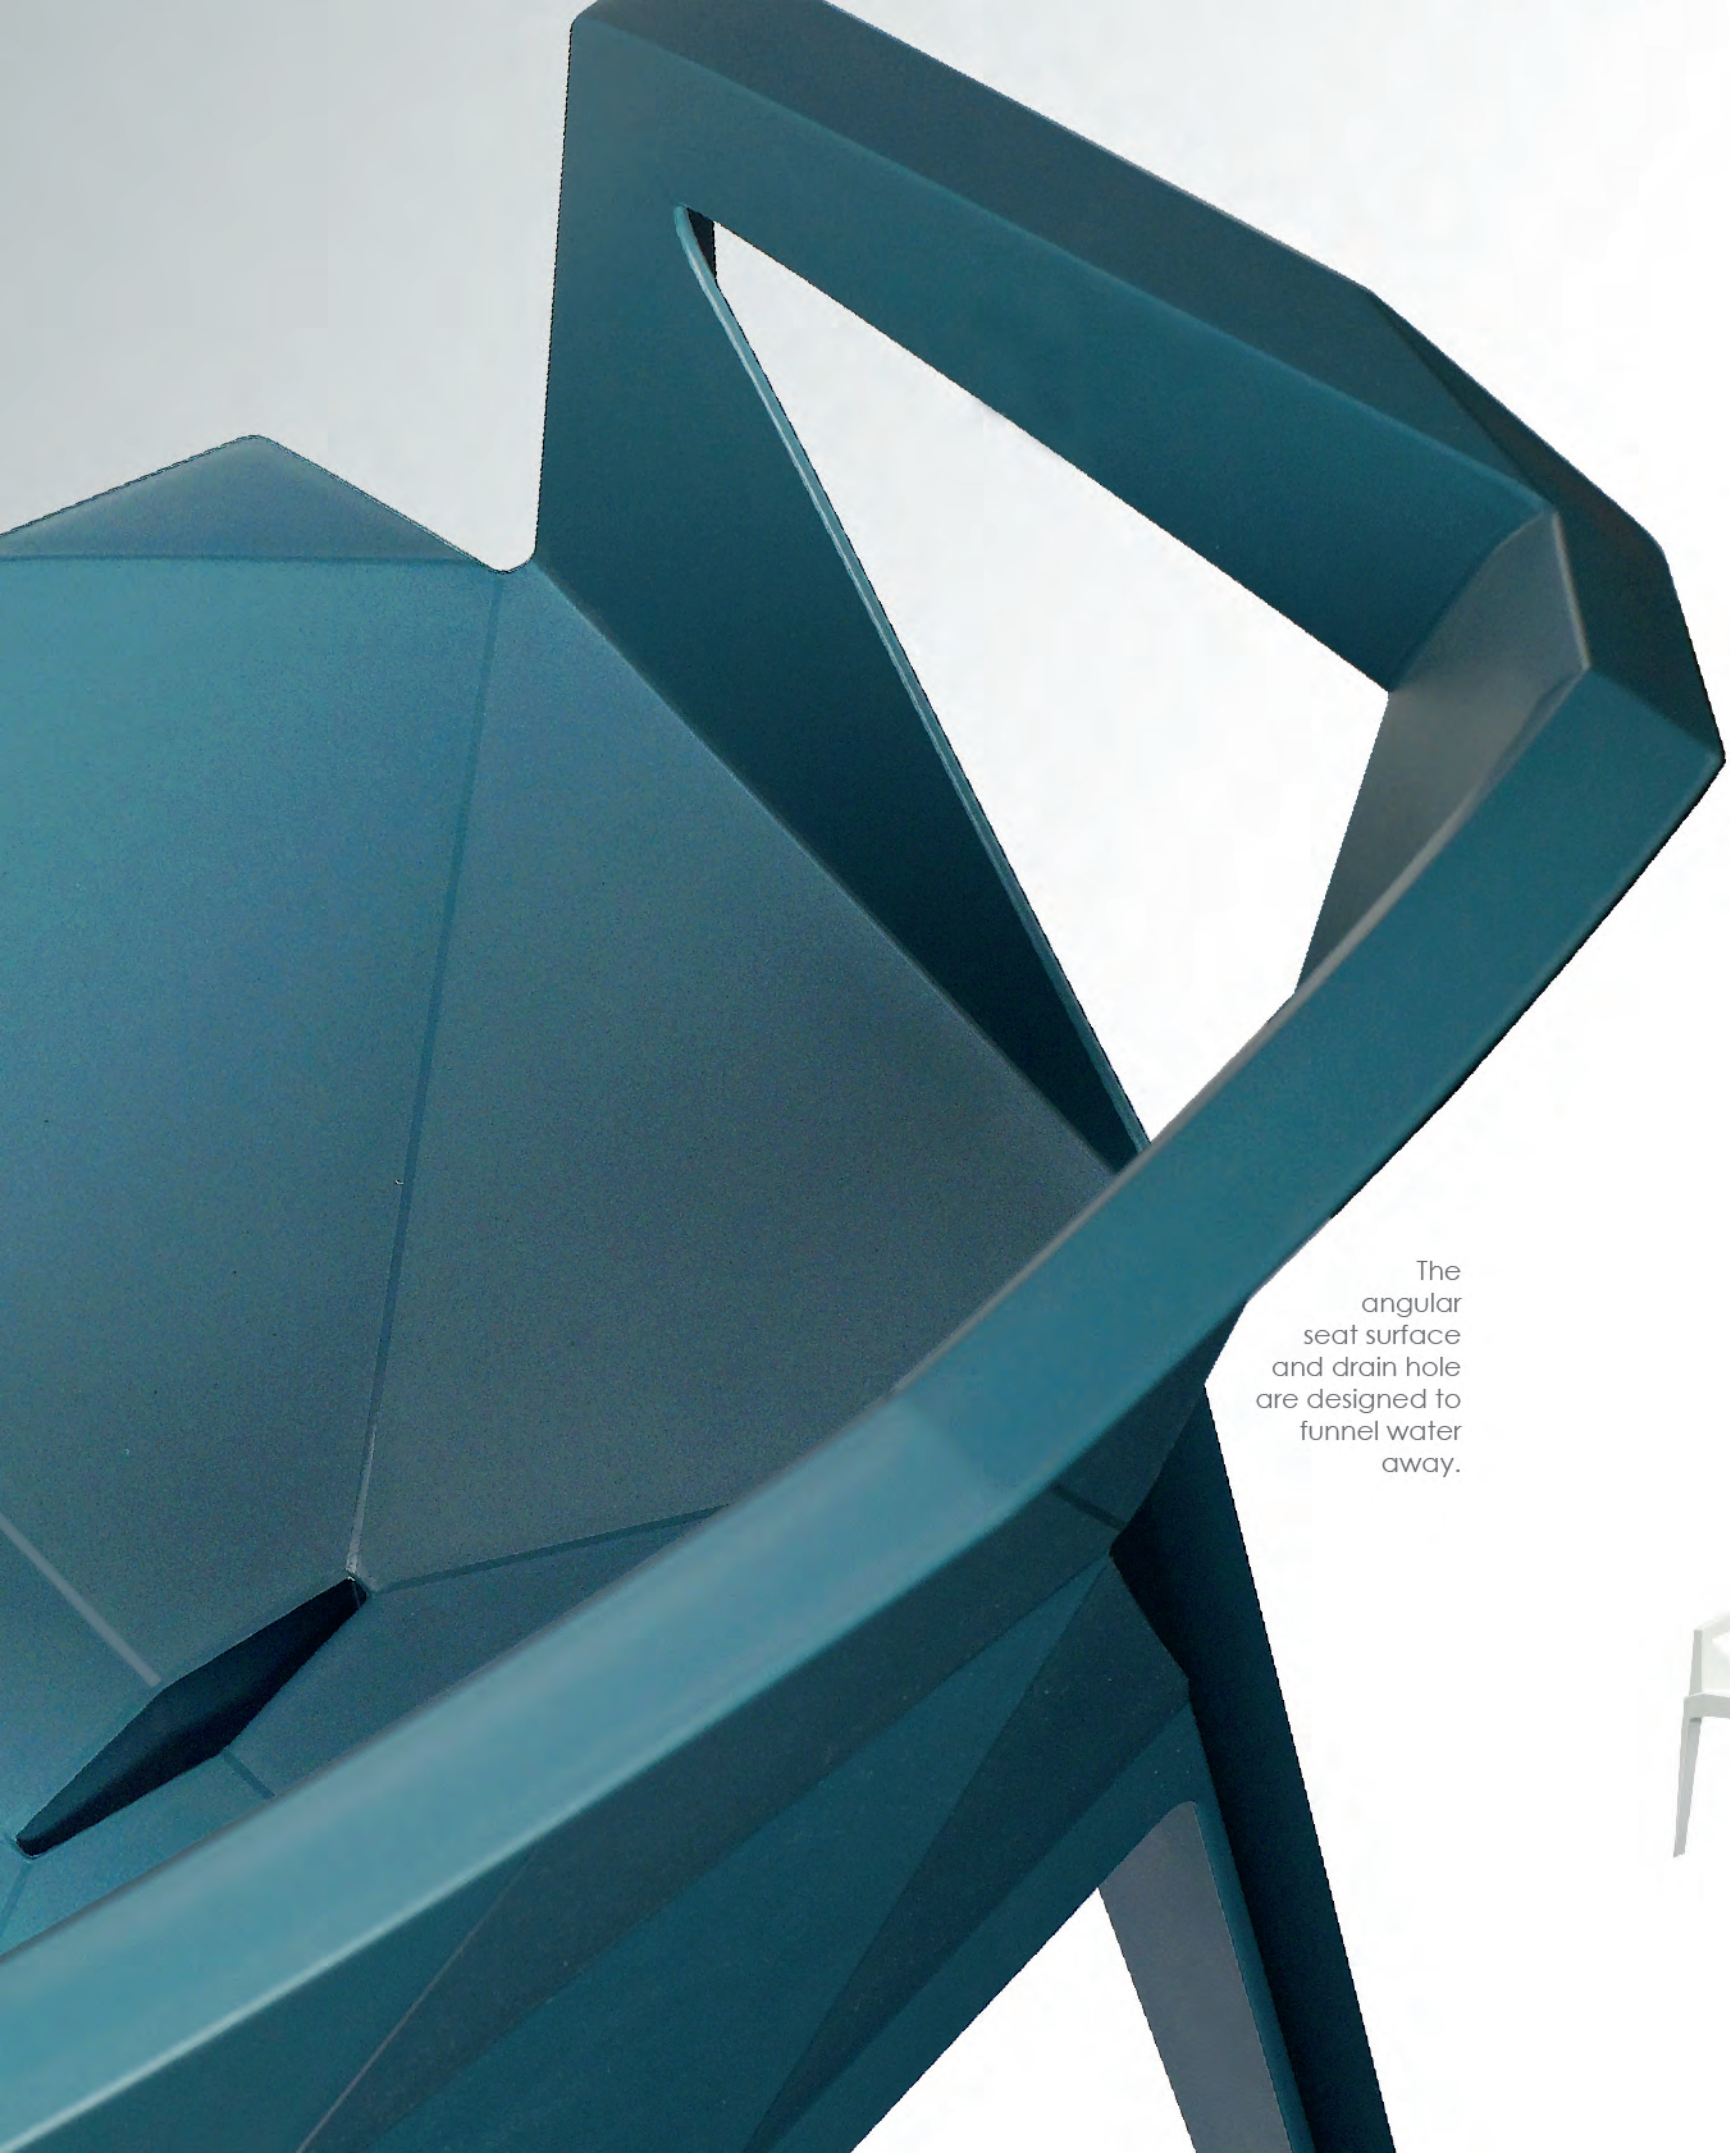

MOBILITY

Its light weight (3.5kg) enables **Muze** to be rapidly moved, set up and stored anywhere at a moments notice.

STABILITY

By design, **Muze** is highly durable and sturdy, inspiring confidence even for larger-sized users on a variety of floor surfaces.

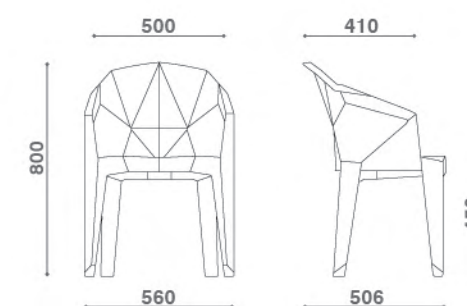

The angular seat surface and drain hole are designed to funnel water away.
