

Product Safety Recall

HL820LVBK

HL820V

Casio Handheld electronic calculators HL820LVBK and HL820V

Affected Retailers: NXP, Whitcoulls, OfficeMax, Office Products Depot, Paper Plus, Kiwi Office, Acta Office Products, Office Spot Ashburton, Harvey Norman Hamilton. These calculators may have been purchased during the period October 2005 – February 2024

Defect: These products do not comply with the standards for products containing button/coin batteries. The button/coin batteries are not adequately secured and are accessible to young children. The products do not include the required warning information.

Hazard: There is a risk of choking or serious injury if young children gain access to the button/coin batteries and swallow or place them inside their body.

What to do: Consumers should stop using affected products immediately and store them out of reach of children.

Return the calculators to the place of purchase for a full refund.
